2. CONTRACT.

In the absence of a written agreement signed by Buyer and Seller, the Contract shall govern the offer, sale and delivery of Product by Seller to Buyer. A Buyer’s Order evidences its agreement to be bound by the Contract.

3. DELIVERY TERMS.

3.1. Orders shall be placed at least 10 days before the requested delivery date. For Orders that involve multiple deliveries at different times (“Volume Contract”), Buyer’s Orders shall indicate the specific volume of Product to be delivered and location. Failure of Buyer to provide such Order does not relieve Buyer of its obligation to purchase 100% of the volume set forth in the Volume Contract.

3.2. The location from which Products sold hereunder shall be produced or delivered is stated in the Contract Confirmation. Seller is not obligated to fill any Order with production from another location.

3.3. Seller shall use diligent efforts to fill Orders within the delivery period requested by Buyer, subject to Product

availability. The inability of Seller to fill an Order within the delivery period requested by Buyer does not entitle Buyer to claim damages or release Buyer from its obligations under the Contract, including its obligation to place orders and take subsequent deliveries in the case of Volume Contracts.

3.4. The “Delivery Location” for Product is Ex Works (Incoterms 2020) Seller’s facility (“Seller’s Facility”), unless otherwise specified in the Contract Confirmation. If Buyer requests Seller to arrange delivery of Product to Buyer’s facility (“Buyer’s Facility”), then a delivery charge will be added to the Price or shown as a line item on the invoice (“Delivered Pricing”). Quoted Delivered Pricing is subject to increase as a result of changes to rail, intermodal, truck, freight and fuel surcharges for which Buyer remains responsible. Delivered Pricing shall be made available to Buyer only as a convenience and on the condition that Seller shall not be held responsible for delivery errors or damages attributable to the freight carrier or others, including claims of contamination or for penalties, late charges or fees (collectively, “Delivery Claims”). Notwithstanding the foregoing, Seller will submit Buyer’s Delivery Claims to the freight carrier and make reasonable attempts to seek reimbursement of the Delivery Claims.

3.5. Buyer will take delivery of the Product during the delivery period reflected on the Contract Confirmation, and, unless otherwise indicated in the Contract Confirmation, in approximately equal monthly installments. If Buyer is unable or refuses to accept delivery of Product, then Seller, at its discretion and in addition to any other rights or remedies, may (a) impose a charge each month on all Product which has not been timely accepted for delivery by Buyer by the 30th day subsequent to the specified delivery period in an amount equal to 1.5% of the gross price of such Product and/or (b) cancel the Order. Buyer shall also pay any increased duties, fees, taxes or other charges or tariffs resulting from any delivery delay.

4. TITLE AND RISK OF LOSS.

Title and risk of loss to Product shall transfer to Buyer at the Delivery Location when possession of Product is taken by Buyer directly or through the freight carrier (“Tender of Delivery”).

5. PRICES AND INVOICES.

5.1. Unless otherwise stated in the Contract Confirmation, prices for Food Product are per one hundred (100) pounds (“CWT”), prices for certain food service and grocery Products are per unit, and prices for Tableware Product are per case (the “Price”). Charges for drums, totes and pallets are in addition to the Price, unless otherwise indicated on the invoices. Price is exclusive of any sales, processing, excise, value added or other taxes, and when required by law, such taxes shall be added to the Price on the related invoice and paid by Buyer.

5.2. Seller shall invoice Buyer promptly after Tender of Delivery. Unless otherwise indicated on the invoice, Buyer shall pay Seller the full amount of the invoice within 11 days of the invoice date in United States dollars, by electronic payment to the Seller’s designated bank account or by wire transfer of immediately available funds to an account designated by Seller. In the event Buyer prefers to pay by check, such payment shall be sent to Seller’s address set forth in the invoice.

5.3. Claims regarding discounts or prices not made within 12 months from the date of invoice shall be deemed waived and released by Buyer.

5.4. Buyer is not entitled to set-off amounts due or claimed due from Seller against any amounts Buyer owes to Seller.

5.5. Unless acknowledged and accepted by Seller in writing, any statement by Buyer on a payment transmission or an indication that a payment is "payment in full" or other statements to that effect is a nullity, and that cashing such check does not constitute acceptance.

5.6. Any amounts which are not paid when due shall bear interest from the date payment was due until the date payment is received by Seller, at a rate of interest equal to the lower of (i) 1.5% per month or (ii) the highest rate of interest permitted under applicable law.

6. CHANGES DUE TO GOVERNMENT ACTION.

If any action by any government results in a change of the duty rate or the imposition of or change in any excise tax, tariff, fee, or other tax on the importation of any ingredient of the Product, raw or refined sugar, or sugar containing product or in connection with the manufacture of the Product, then the additional costs or savings resulting therefrom shall be added to or subtracted from the Price.

7. BUYER'S CREDIT.

Any credit granted to Buyer may in the sole discretion of Seller be reduced or withdrawn at any time, notwithstanding any previously approved payment terms to the contrary. Seller reserves the right to withhold, suspend or stop in transit any shipment should any doubt arise as to Buyer's credit or financial responsibility.

8. SELLER'S WARRANTY AND GUARANTEE.

8.1. Seller represents and warrants that, upon Tender of Delivery, the Product will satisfy the applicable Product specifications provided by Seller. Seller guarantees that, upon Tender of Delivery, Food Product will not be: (a) adulterated or misbranded within the meaning of the Federal Food, Drug, and Cosmetic Act (the "Act"); (b) an article which may not, under the provisions of Section 404 of the Act, be introduced into interstate commerce; and (c) adulterated or misbranded within the meaning of food, drug and cosmetic laws of the state to which such article is shipped by Seller, the adulteration and misbranding provisions of which are substantially the same as those found in the Act; provided that no guarantee concerning misbranding is given if an article is delivered under a label designed or furnished by Buyer.

8.2. THE FOREGOING REPRESENTATIONS, WARRANTIES AND GUARANTEES ARE LIMITED AND IN LIEU OF ANY OTHER REPRESENTATIONS, WARRANTIES AND GUARANTEES, AND SELLER MAKES NO WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE PRODUCTS, WHETHER AS TO MERCHANTABILITY, QUALITY, FITNESS FOR A PARTICULAR PURPOSE OR OTHERWISE.

8.3. In the event Buyer rejects Product as non-conforming under Section 8.1 above ("Non-conforming Product"), Buyer shall timely notify Seller in writing of the non-conformance and shall hold such Non-conforming Product until Seller removes the Non-conforming Product or provides Buyer with other reasonable instructions. Seller's liability for Non-conforming Product is limited to either replacing the Non-conforming Product or refunding Buyer the Price paid for the Non-conforming Product. Buyer is prohibited from selling Non-conforming Product in a secondary market without Seller's prior written consent.

8.4. All Product claims must be made by Buyer within one year of Tender of Delivery regardless of their nature.

8.5. Any continuing guaranty for Food Product provided by Seller to Buyer remains subject to, and governed by, the terms of the Contract.

9. INDEMNIFICATION.

9.1. Except to the extent caused by any change to or processing of Product (including packaging) by Buyer or third parties, or caused or resulting from the negligent acts or omissions or intentional conduct of Buyer or other third parties, Seller shall indemnify and defend Buyer for (a) claims of third parties brought against Buyer for bodily injury or property damage caused by physical defects in the Product; (b) claims of governmental authorities brought against Buyer as a result of Seller's breach of any representations, warranty or guarantees set forth in Section 8.1 above or as a result of Seller's failure to be in compliance with the Safe Drinking Water and Toxic Enforcement Act of 1986 ("Proposition 65").

9.2. Any indemnification provided hereunder is conditioned upon Buyer promptly providing Seller written notice of any action, claim or proceeding within the scope of the indemnity. Further, Seller's obligation to defend is conditioned upon Seller selecting, managing and controlling counsel.

10. LIMITATION ON LIABILITY.

10.1. THE LIABILITY OF SELLER FOR ANY AND ALL CLAIMS FOR DAMAGES ARISING OUT OF OR IN CONNECTION WITH THE CONTRACT, THE PRODUCT AND THE USE THEREOF SHALL UNDER NO CIRCUMSTANCES EXCEED THE SUM OF BUYER'S PAYMENTS FOR THE PRODUCT THAT ARE THE SUBJECT OF THE CLAIM. UNDER NO CIRCUMSTANCES SHALL SELLER OR ITS AFFILIATES BE LIABLE TO BUYER OR ANY OTHER PERSON, REGARDLESS OF THE CLAIM, FOR ANY KIND OF SPECIAL, INCIDENTAL, CONSEQUENTIAL, OR PUNITIVE DAMAGE OR LOSS, COST OR EXPENSE (WHETHER DIRECT OR CONSEQUENTIAL IN NATURE), INCLUDING WITHOUT LIMITATION, DAMAGES BASED UPON LOST GOODWILL, LOST SALES OR PROFITS, WORK STOPPAGE, DOWNTIME, PRODUCTION FAILURE, IMPAIRMENT OF OTHER PRODUCTS OR INGREDIENTS, FOR ANY REASON OR UNDER ANY THEORY OF LIABILITY WHATSOEVER, EVEN IF SELLER HAS BEEN ADVISED OR SHOULD BE AWARE OF THE POSSIBILITY OF SUCH DAMAGE.

10.2. SELLER IS NOT RESPONSIBLE FOR PRODUCT UNAVAILABILITY OR DELAYS, CAUSED BY MALWARE, PHISHING, RANSOMWARE, DENIAL-OF-SERVICE ATTACKS, OR OTHER CYBERSECURITY ATTACKS. SELLER IS NOT LIABLE FOR PAYMENTS MADE BY BUYER TO AN UNAUTHORIZED THIRD PARTY AS A RESULT OF MALWARE, PHISHING, RANSOMWARE, DENIAL-OF-SERVICE ATTACKS, OR OTHER CYBERSECURITY ATTACKS.

11. INSURANCE.

Seller will maintain commercial general liability insurance, including Product liability and contractual liability, on a claims made basis with minimum limits of liability of \$2,000,000. Buyer will be added to Seller's Product liability policy as an "additional insured vendor" per the terms of the broad form vendor's endorsement currently in use.

12. TERMINATION AND REMEDIES.

If either party breaches any of the material provisions of the Contract, the other party shall have the right to terminate the

Contract upon 30 days' written notice (10 days in the case of a payment default) whereupon the Contract shall terminate, unless the breach complained of is corrected within such notice period. Nothing herein shall be deemed as limiting the rights and remedies of Seller. If either party shall (a) become bankrupt or insolvent, (b) file for a petition therefor, (c) make an assignment for the benefit of creditors, or (d) have a receiver appointed for its assets, which appointment shall not be vacated within 60 days after the filing, then the other party shall be entitled to terminate the Contract immediately upon written notice to such party.

13. FORCE MAJEURE.

A party shall not be liable for the inability of that party to commence or complete its obligations (excluding the obligation of payment) hereunder by the dates herein required resulting from delays caused by strikes, insurrection, acts of God, war, terrorism, sabotage, emergencies, pandemics, shortages or unavailability of materials, weather, malware, phishing, ransomware, denial-of-service attacks, or other cybersecurity attacks, change in law or other similar causes ("Force Majeure"), which shall have been timely communicated to the other party. The occurrence of the Force Majeure shall extend the period for the performance of the obligation (excluding the obligation of payment), for the period equal to the period of any such delays; provided that such party shall continue to perform to the extent feasible in view of such Force Majeure; and provided further, that if such Force Majeure shall continue for a period of six months, either party shall have the right to terminate the Contract upon written notice to the other party. In the event of the occurrence of a Force Majeure event, Seller shall have the right, but not the obligation, to allocate Product among its buyers in its sole and absolute discretion.

14. COPACKERS.

Buyer may fulfill its purchase obligations under the Contract through one or more of its authorized copackers; provided that Buyer designates such copackers in writing to Seller ("Copackers"). Seller shall accept purchase orders from Copackers as purchase orders delivered under the Contract and Seller shall, as a matter of convenience to Buyer, invoice Copackers directly for payment of Product delivered to them; however, in the event of any non-payment by Copackers, Buyer remains responsible for payment to Seller. The purchase and sale of Product to Copackers shall be subject to all of the terms and conditions of the Contract and Buyer represents and warrants that it has authority to bind Copackers to the Contract.

15. GOVERNING LAW AND JURISDICTION.

The Contract has been entered into, and shall be construed and enforced in accordance with, the laws of the State of Florida without reference to the choice of law principles thereof. The applicability of the United Nations Convention on Contracts for the International Sale of Goods is excluded. Venue and jurisdiction for any proceedings arising out of the Contract shall lie exclusively in the state and federal courts of Palm Beach County, Florida.

16. ASSIGNMENT.

Except to the extent provided herein, Buyer shall not have any right to assign the Contract, or any rights or obligations hereunder, without the prior written consent of Seller; provided, however, that upon the sale of all or substantially all of the assets, business and goodwill of Buyer to another company, or upon the merger or consolidation of Buyer with another company, the Contract shall be binding upon both Buyer and the company purchasing such assets, business

and goodwill, or surviving such merger or consolidation, as the case may be, in the same manner and to the same extent as though such other company were the Buyer. Further, and notwithstanding anything herein to the contrary, Buyer consents to the assignment from time to time of any part of Seller's rights to payment hereunder in respect of invoices addressed to Buyer or its Affiliates (a "Receivable"), and in connection with such assignments, and, notwithstanding any confidentiality agreements to the contrary, Seller may disclose the terms of the contractual arrangements between Buyer and Seller solely for the purpose of assigning any Receivables and in order for assignee to collect such payments to which it may become entitled. Subject to the foregoing, the Contract shall inure to the benefit of, and be binding upon, the parties hereto and their legal representatives, successors, and permitted assigns.

17. BUYER'S USE OF PRODUCTS.

17.1. Buyer acknowledges that U.S. export control laws apply to the sales contemplated in the Contract. Buyer warrants that it will not knowingly sell or permit the resale of Product to any person located in, or any person who will resell to a person located in, any country which is subject to an embargo under the U.S. Department of Commerce Bureau of Industry and Security, the U.S. Department of Treasury Office of Foreign Assets Control Regulations, or similar laws and regulations. Buyer acknowledges that the United States maintains lists of persons and entities prohibited from participating in any U.S. export or re-export transaction (<https://www.trade.gov/consolidated-screening-list>). If Seller believes that a violation of the U.S. export control laws may occur or has occurred, Seller reserves the right to request additional information regarding the end-user and/or destination of Product and Buyer shall provide such information. Seller reserves the right to refuse to proceed with any transaction where Seller determines that the transaction may violate the U.S. export controls laws and to terminate and discontinue doing business with any Buyer that Seller determines has engaged in transactions placing Seller at risk of violation of such laws.

17.2. Buyer represents and warrants that it shall use and sell all Product in accordance with applicable laws, statutes, ordinances, regulations, codes or standards ("Laws and Standards"). Except as expressly stated in the Contract or in Seller's specifications, Seller makes no promise or representation that Product conforms to any other Laws and Standards. Buyer shall be exclusively responsible for ensuring compliance with all Laws and Standards associated with its intended use of Product.

18. PRIVATE LABEL.

In the event Product will be privately labeled at Buyer's request ("Private Label Product"), then Buyer shall provide Seller with written specifications for packaging ("Packaging Specifications"). Unless otherwise agreed to by the parties in writing, the printing and supplying of labels, bags, canisters, boxes, or other like Products ("Packaging Materials") required to package Product pursuant to the Packaging Specifications shall be provided by, and at the expense of, Seller. Buyer, at its expense and responsibility, shall provide all design, content, and artwork necessary for the creation or modification of Packaging Materials in accordance with the Packaging Specifications. Notwithstanding anything herein to the contrary, Buyer shall solely be responsible for the content and design of Packaging Materials. In the event the Contract expires or is terminated for any reason, other than breach by Seller, Buyer shall purchase from Seller any remaining

packed Private Label Product and any unused Packaging Materials ordered or maintained in inventory. Buyer represents that it owns, or has the right to use, the trademarks (“Trademarks”) which will appear on the Packaging Materials. Buyer warrants that the Trademarks will not infringe the intellectual property rights of any third parties, and Buyer shall indemnify, defend and hold harmless Seller and its respective Affiliates, successors and assigns, from and against any and all actions, claims, liability, cost, damage or expense, including attorneys’ fees and other expenses of defense, arising from or relating to the Trademarks or Buyer’s warranty contained in this Section 18.

19. CONFIDENTIALITY.

All disclosures, including specifications, pricing, financial data, formulae, samples, research, product plans, products, services, suppliers, inventions, processes, or other proprietary information furnished by Seller or any of its Affiliates to Buyer (“Confidential Information”), are the sole property of Seller or its Affiliates and are submitted in confidence upon the understanding and agreement by Buyer that Confidential Information shall not be disclosed or furnished to any third party nor used by Buyer in whole or in part for any purpose except as agreed in writing by Seller. This obligation of confidentiality shall not apply to information that is in the public domain, independently developed without use of Confidential Information or that is received from third parties not under an obligation of confidentiality, or required to be disclosed by law or regulation. Unless otherwise expressly agreed in writing, Buyer acknowledges and agrees that (a) Seller or its Affiliates own certain patents, trademarks, copyrights, or other intellectual property rights, and Seller shall own any improvements or creations or other intellectual property developed during the course of the relationship contemplated herein (collectively “Seller’s IP”) and (b) the furnishing of information or related documents or other materials by Seller or its Affiliates to Buyer does not grant nor transfer any license in or to Seller’s IP to Buyer.

20. ETHICAL SOURCING.

It is Seller’s policy to purchase goods and services that are produced and delivered under conditions that uphold fundamental human rights; do not involve the abuse or exploitation of any persons; are grown, produced, manufactured and sold in accordance with the laws of the country of origin; and minimize negative impacts on the environment. Copies of Seller’s Code of Ethics and Business Conduct and its Ethical Sourcing Policy are available for download on: www.asr-group.com under the tab “DOCUMENT DOWNLOADS”, then “ASR Group – Codes and Policies.”

21. ATTORNEYS FEES, WAIVER OF JURY TRIAL.

21.1. If either party commences an action against the other to interpret or enforce the Contract or as a result of a breach by the other party of the Contract, the prevailing party shall be entitled to recover from the non-prevailing party reasonable attorneys’ fees, costs and expenses incurred by the prevailing party in connection with such action.

21.2. THE PARTIES KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE ANY RIGHT THAT THEY MAY HAVE TO A TRIAL BY JURY, THIS WAIVER BEING A MATERIAL INDUCEMENT FOR THE PARTIES ENTERING INTO THE CONTRACT.

22. RELATIONSHIP OF PARTIES.

The Contract shall not constitute or be construed as creating a partnership or joint venture between the parties.

23. WAIVER.

Any term, condition or covenant of the Contract which may legally be waived, may be waived, or the time of performance thereof extended, at any time by the party hereto entitled to the benefit thereof, and any term, condition or covenant may be amended by the parties hereto at any time. Any such waiver, extension or amendment shall be evidenced by an instrument in writing executed by an officer authorized to execute waivers, extensions or amendments. Seller’s failure to strictly enforce any term or condition of the Contract or to exercise any right arising hereunder shall not constitute a waiver of Seller’s right to strictly enforce such terms or conditions or exercise such right thereafter.

24. U.S. FEDERAL CONTRACTS.

To the extent applicable to Products sold under a U.S. federal contract or subcontract, Buyer and Seller shall comply with any mandatory federal contract clauses required by applicable executive orders or regulations that are required to be included in contracts of sale and are incorporated by reference or expressly included in the applicable Contract Confirmation

25. FINAL AGREEMENT.

The Contract represents the final agreement of the parties with respect to its subject matter and all prior oral or written undertakings, communications, or agreements are superseded and merged herein. No different or additional terms and conditions, including those contained in any Order or agreement previously executed by Seller or in any acceptance or similar document tendered by Buyer, shall in any way become binding on Seller or become part of the Contract and are hereby specifically rejected. In the event the parties have executed a confidentiality or nondisclosure agreement, or Seller is requested to provide a separate continuing guaranty or indemnification agreement, such agreement remains subject to the terms and conditions set forth herein, and in the event of conflict, the Contract shall govern.
